

TO WHOM IT MAY CONCERN

This is a letter of reference for Megan Sedlacek who was employed part time in our household from January 2011 till May 2011 and then full time from June 2011 till the end of August 2012 for our now three-year-old twins.

Miss Megan fulfilled all her obligations to our family as a Nanny and teacher. She was fastidious in these aspects and was most determined to enrich our children's experiences.

Some of the areas of expertise I would like to note in particular:

1. Thorough knowledge of all facets of child development.
2. Cooking and Nutrition (e.g. Introducing new foods and textures and preparing well balanced and interesting meals.)
3. Manners and discipline. (e.g. How to eat at the table at an early age, using silverware and napkins. Firm direction to the children so they knew what to expect and what was expected of them in all areas of their life.)
4. Punctual – Arrived on time and left only when the children were settled to sleep.
5. Responsible (e.g. Always advised about the children when they went out and emailed pictures.)
6. Experienced in overseas travel. Miss Megan joined us in a trip to Australia and did a great job preparing the children for the flight.
7. Innovative and high energy at all times.
8. Safety. Miss Megan took extra caution when the children were outside the apartment (e.g. crossing streets, interacting in the playground or classes.)
9. Education and wide depth of knowledge. Miss Megan is completely versed and practiced in all Montessori teachings from selecting reading materials, videos, DVDs, lessons and new languages.
10. Adventures outside and indoors were always fun filled and educational.

11. Schedules were of utmost importance and strictly adhered and modulated for the best results from morning until dinner -time, bath-time and bed.

Miss Megan is highly recommended for any position of her choosing. Her work ethic is flawless as is the care, commitment, dedication and loyalty she displays with children at all times. We wish her every success and luck in all her plans, ambitions and endeavors for the future.

Sincerely,

A handwritten signature in black ink that reads "M. Roth". The signature is fluid and cursive, with a long horizontal stroke at the end.
